

Council on the Ageing Queensland
ABN 13 465 280 311

Annual Report 30 June 2018

**Council on the Ageing Queensland
Directors' report
30 June 2018**

The directors present their report, together with the financial statements, on the company for the year ended 30 June 2018.

Directors

The following persons were directors of the company during the whole of the financial year and up to the date of this report, unless otherwise stated:

Peter Howells (Chair)
Neale Condon (Deputy Chair)
Maree McMahon
Robyn Robinson
Linda Rosenman
Margaret Sugden

Vision: Ageing in Australia is a time of possibility, opportunity and influence.

Strategy

1. To promote the World Health Organisation (WHO) Age-friendly Cities and Communities initiative to enhance the lives of people as they age
2. To work collaboratively with older people, community organisations, government and business to develop and deliver appropriate services
3. To provide evidenced-based information to enable older people to make well-informed decisions
4. To work collaboratively with other COTAs to develop a valued, responsive and sustainable organisation.

Principal activities

COTA Queensland is the Seniors Peak organisation advancing the rights, interests and futures of people as they age in Queensland. Key activities during the financial year focused on providing effective policy advice, building the capability of non-government organisations providing programs to older people, community education and the coordination of Seniors Week.

The underlying surplus was \$60,087 for 2018 compared to \$47,775 for 2017.

Performance measures

The company measures its performance in the agreed services being delivered on time, within budget and to agreed specifications and through stakeholder satisfaction.

Information on directors

Name: Peter Howells
Title: Chair
Qualifications: BA, MBA, GAICD, CAHRI

Experience and expertise: Peter is an independent business consultant specialising in providing Human Resources advice and project support to clients ranging from the corporate to the public sector and across a range of industries including professional services, finance and resources. He has held senior HR corporate roles for over 20 years. He has lead HR teams in the Retail Banking and Funds Management sectors, developing solutions and resolving issues to support high performing workplaces. He has been actively involved in industry and professional bodies such as the Australian Human Resources Institute and the Financial Institutions Remuneration Group (FIRG). Peter was Chairman of the FIRG management committee from 2006 to 2009. Peter embarked on his career in HR after studying psychology and anthropology at the University of Queensland. He also obtained an MBA from Griffith University. Peter is a Graduate Member, Australian Institute of Company Directors and a Certified Professional Australian Human Resources Institute.

Name: Neale Condon
Title: Deputy Chair
Qualifications: B.Bus., LLB, GAICD

Experience and expertise: Neale is an experienced Company Director, CEO and General Manager. He is a certified Transition Planning Consultant and also consults in corporate governance. Neale has worked mainly in the services sector and held specific responsibilities for Finance, Strategy and Corporate Governance. Neale has held senior leadership roles in non-profit companies in Health and Aged Care. In his role as Director of Finance and Corporate Services with Holy Spirit Hospital he was a key contributor to the successful planning, construction, commissioning and management of the Holy Spirit Northside Private Hospital in Brisbane. Neale is a former Director of Smart Services Cooperative Research Centre Pty Ltd. He is also on the Board of Insurance and Membership Services Limited. He holds Bachelor Degrees in Business and Law, and is a Graduate of the Australian Institute of Company Directors.

Name: Maree McMahon
Title: Non-Executive Director/Chair, Finance & Risk Committee
Qualifications: B.Bus., FAICD, FCPA

Experience and expertise: Maree is an experienced Executive Manager with over 25 years leading large finance and support services teams through transformational change in Queensland-based listed and global companies in the mining, financial services and construction industries. More recently, Maree has held senior leadership positions in Queensland-based Not for Profit organisations in the health and community services sector. Throughout her career, Maree has also been an active Fellow member of CPA Australia, serving on the Queensland Divisional Council and Executive Committee as the Queensland Divisional President for 2016. Maree is also a Board member and Vice President of the Australasian Shared Services Association. As a Fellow member of the Australian Institute of Company Directors, Maree also brings over 15 years of experience serving on boards and committees.

**Council on the Ageing Queensland
Directors' report
30 June 2018**

Name:	Robyn Robinson
Title:	Non-Executive Director
Qualifications:	B.Sc. Dip.C.Sc., MSc., GAICD.
Experience and expertise:	Robyn worked in executive and senior management roles within the electricity industry in Queensland for over 20 years. She has an extensive background in IT management, business performance improvement and managing organisational change. Currently Robyn works as an independent consultant advising energy industry bodies on energy consumer policy issues and stakeholder engagement. Robyn has qualifications in science and IT, and holds a Master of Science Degree in Operations Research. She is a Graduate of the Australian Institute of Company Directors. In addition to her role on the Board of COTA Queensland, Robyn is President of the Redland District Committee on the Ageing and Chair of the Redland Seniors Network. She is a former director of the Donald Simpson Community Centre.
Name:	Linda Rosenman
Title:	Non-Executive Director
Qualifications:	BA, Dip. Soc. Work, MSW, PhD, GAICD
Experience and expertise:	Professor Linda Rosenman has worked in academic and senior management positions at Universities in Queensland, across Australia and in the USA. She has researched, published and presented widely on economic security, superannuation and women, financial abuse and intergenerational financial relationships and has a long history of serving on and chairing boards and ministerial committees in the education, human services and ageing sectors. Linda has a BA, Dip. Social Work, MSW and PhD and is a Graduate of the Australian Institute of Company Directors.
Name:	Margaret Sugden
Title:	Non Executive Director/Chair, Policy committee
Qualifications:	M.App.Fin, GAICD.
Experience and expertise:	Margaret is a retired Managing Director, Investment Services at QIC, which is one of Australia's largest institutional fund managers with a blend of public and private sector clients. She has extensive experience in strategic and tactical planning and thinking, relationship and change management, advocacy and support, and direction of product management, performance measurement and marketing strategies. Margaret is also Chair of the Queensland Community Foundation Management Company and a Governor on the QCF Board of Governors. QCF is renowned as one of Queensland's leading charitable organisations bringing together community, business, education and government leaders to further philanthropic causes across the State. Margaret has a Masters of Applied Finance and is a Graduate of the Australian Institute of Company Directors.

Chief Executive and Company Secretary

Mark Tucker-Evans, Chief Executive, who has the role of company secretary since 12 June 2014, has over 30 years' experience as a Chief Executive of industry and professional associations. Mark has extensive Board experience and is currently Chair, Health Consumers Queensland, Institute for Healthy Communities Australia Ltd and Institute for Healthy Communities Australia Certification Pty Ltd. He is a former Assistant Commissioner, Health Quality & Complaints Commission, Chair of QCOSS and director of ACOSS.

Council on the Ageing Queensland
Directors' report
30 June 2018

Meetings of directors

The number of meetings of the company's Board of Directors ('the Board') and of each Board committee held during the year ended 30 June 2018, and the number of meetings attended by each director were:

	Full Board		Finance and Risk Committee	
	Attended	Held	Attended	Held
Peter Howells	4	4		
Neale Condon	4	4	4	4
Maree McMahon	4	4	3	4
Robyn Robinson	4	4	4	4
Linda Rosenman	4	4		
Margaret Sugden*	2	4		

*Leave of absence commenced January 2018

Winding up

If any surplus remains following the winding up of the corporation, the surplus will not be paid to our distributed amongst Members, but will be given or transferred to another entity which is:

- (a) an organisation with similar purposes which is not carried on for profit or gain of its individual members;
 - (b) required to apply its profits (if any) or other income in promoting objects similar to those of the Corporation; and
 - (c) endorsed as a deductible gift recipient under sub-division 30-BA of the ITAA,
- such entity to be determined by the Members at or before the winding up and in default, by application to the Supreme Court of Queensland for determination.

Subsequent events

No matters or circumstances have arisen since the end of the financial year which significantly affected or could significantly affect the operations of the consolidated group, the results of those operations or the state of affairs of the consolidated group in future financial years.

Auditor's independence declaration

A copy of the auditor's independence declaration as required under section 60-40 of the *Australian Charities and Not for profits Commission Act 2012* is set out on the following page.

This report is made in accordance with a resolution of directors, pursuant to the *Australian Charities and Not for profits Commission Act 2012*.

On behalf of the directors

Peter Howells

Director

Brisbane, 17th September 2018

Maree McMahon

Director

**Auditor's Independence Declaration
To the Directors of Council on the Ageing Queensland Ltd**

In accordance with the requirements of section 60-40 of the *Australian Charities and Not-for-profits Commission Act 2012*, as lead auditor for the audit of Council on the Ageing Queensland Ltd for the year ended 30 June 2018, I declare that, to the best of my knowledge and belief, during the year then ended 30 June 2018, there have been:

- a. no contraventions of the auditor independence requirements of the *Australian Charities and Not-for-profits Commission Act 2012* in relation to the audit; and
- b. no contraventions of any applicable code of professional conduct in relation to the audit.

Note 1. Significant accounting policies

General information

The financial statements cover Council on the Ageing Queensland as an individual entity. The financial statements are presented in Australian dollars, which is Council on the Ageing Queensland's functional and presentation currency.

Council on the Ageing Queensland is a not-for-profit unlisted public company limited by guarantee, incorporated and domiciled in Australia.

The financial statements were authorised for issue, in accordance with a resolution of directors, on 25 October 2018. The directors have the power to amend and reissue the financial statements.

Basis of preparation

Council on the Ageing Queensland applied Australian Accounting Standards – Reduced Disclosure Requirements as set out in AASB 1053: Application of Tiers of Australian Accounting Standards and AASB 2010-2: Amendments to Australian Accounting Standards arising from Reduced Disclosure Requirements.

The financial statements are general purpose financial statements that have been prepared in accordance with the Australian Accounting Standards – Reduced Disclosure Requirements of the Australian Accounting Standards Boards (AASB) and the *Australian Charities and Not for profits Commission Act 2012*. The Company is a not-for-profit entity for financial reporting purposes under Australian Accounting Standards.

Australian Accounting Standards set out accounting policies that the AASB has concluded would result in financial statements containing relevant and reliable information about transactions, events and conditions. Material accounting policies adopted in the preparation of these financial statements are presented below and have been consistently applied unless stated otherwise.

The financial statements, except for the cash flow information, have been prepared on an accruals basis and are based on historical costs, modified, where applicable, by the measurement at fair value of selected non-current assets, financial assets and financial liabilities. The amounts presented in the financial statements have been rounded to the nearest dollar.

The principal accounting policies adopted in the preparation of the financial statements are set out below. These policies have been consistently applied to all the years presented, unless otherwise stated.

Adoption of New and Revised Accounting standards

The Company has adopted all standards which became effective for the first time at 30 June 2018, the adoption of these standards has not caused any material adjustments to the reported financial position, performance or cash flow of the Company.

Note 1. Significant accounting policies (continued)

New Accounting Standards and Interpretations

The AASB has issued new and amended Accounting Standards and Interpretations that have mandatory application dates for future reporting periods. The Company has decided not to early adopt these Standards. The following table summarises those future requirements, and their impact on the Company where the standard is relevant:

Standard Name	Effective date for entity	Requirements	Impact
AASB 9 Financial Instruments and amending standards AASB 2010-7 / AASB 2012-6 / AASB 2014-7 / AASB2014-8	30 June 2019	Significant revisions to the classification and measurement of financial assets, reducing the number of categories and simplifying the measurement choices, including the removal of impairment testing of assets measure at fair value.	The entity has not yet determined the magnitude of any changes which may be needed.
AASB 15 Revenue from Contracts with Customers	30 June 2019	This standard provides guidance on the recognition of revenue from customers.	The entity has not yet determined the magnitude of any changes which may be needed.
AASB 16 Leases	30 June 2020	Significant revisions to accounting for operational leases on balance sheet by Lessees of property and high value equipment. However, exemptions for short-term leases and leases of low value assets will reduce the impact.	The entity has not yet determined the magnitude of any changes which may be needed.

Revenue recognition

Revenue is recognised when it is probable that the economic benefit will flow to the company and the revenue can be reliably measured. Revenue is measured at the fair value of the consideration received or receivable.

Sales revenue

Events, fundraising and raffles are recognised when received or receivable.

Donations

Donations are recognised at the time the pledge is made.

Interest

Interest revenue is recognised when it is received or receivable.

Other revenue

Other revenue is recognised when it is received or when the right to receive payment is established.

Income tax

As the company is a charitable institution in terms of subsection 50-5 of the Income Tax Assessment Act 1997, as amended, it is exempt from paying income tax.

Current and non-current classification

Assets and liabilities are presented in the statement of financial position based on current and non-current classification.

Note 1. Significant accounting policies (continued)

An asset is current when it is expected to be realised or intended to be sold or consumed in normal operating cycle; it is held primarily for the purpose of trading; it is expected to be realised within twelve months after the reporting period; or the asset is cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period. All other assets are classified as non-current.

A liability is current when it is expected to be settled in normal operating cycle; it is held primarily for the purpose of trading; it is due to be settled within twelve months after the reporting period; or there is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period. All other liabilities are classified as non-current.

Deferred tax assets and liabilities are always classified as non-current.

Cash and cash equivalents

Cash and cash equivalents includes cash on hand, deposits held at call with financial institutions, other short-term, highly liquid investments with original maturities of three months or less that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value, and bank overdrafts. Bank overdrafts are classified under short term borrowing in current liabilities on the statement of financial position.

Property, plant and equipment

Plant and equipment is stated at historical cost less accumulated depreciation and impairment. Historical cost includes expenditure that is directly attributable to the acquisition of the items.

Depreciation is calculated on either a straight-line basis or reducing balance method to write off the net cost of each item of property, plant and equipment (excluding land) over their expected useful lives as follows:

Furniture and Fittings	10-15 years
Office equipment	3-7 years
Motor vehicles	5-7 years
Computer equipment	3-5 years

The residual values, useful lives and depreciation methods are reviewed, and adjusted if appropriate, at each reporting date.

An item of property, plant and equipment is derecognised upon disposal or when there is no future economic benefit to the company. Gains and losses between the carrying amount and the disposal proceeds are taken to surplus or deficit.

Impairment of non-financial assets

Non-financial assets are reviewed for impairment whenever events or changes in circumstances indicate that the carrying amount may not be recoverable. An impairment deficit is recognised for the amount by which the asset's carrying amount exceeds its recoverable amount.

Recoverable amount is the higher of an asset's fair value less costs of disposal and value-in-use. The value-in-use is the present value of the estimated future cash flows relating to the asset using a pre-tax discount rate specific to the asset or cash-generating unit to which the asset belongs. Assets that do not have independent cash flows are grouped together to form a cash-generating unit.

Trade and other payables

These amounts represent liabilities for goods and services provided to the company prior to the end of the financial year and which are unpaid. Due to their short-term nature they are measured at amortised cost and are not discounted. The amounts are unsecured and are usually paid within 30 days of recognition.

Employee benefits

Short-term employee benefits

Liabilities for wages and salaries, including non-monetary benefits, annual leave and long service leave expected to be settled within 12 months of the reporting date are recognised in current liabilities in respect of employees' services up to the reporting date and are measured at the amounts expected to be paid when the liabilities are settled.

Note 1. Significant accounting policies (continued)

Other long-term employee benefits

The liability for annual leave and long service leave not expected to be settled within 12 months of the reporting date are recognised in non-current liabilities, provided there is an unconditional right to defer settlement of the liability. The liability is measured as the present value of expected future payments to be made in respect of services provided by employees up to the reporting date using the projected unit credit method. Consideration is given to expected future wage and salary levels, experience of employee departures and periods of service.

Defined contribution superannuation expense

Contributions to defined contribution superannuation plans are expensed in the period in which they are incurred.

Fair value measurement

When an asset or liability, financial or non-financial, is measured at fair value for recognition or disclosure purposes, the fair value is based on the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date; and assumes that the transaction will take place either: in the principle market; or in the absence of a principal market, in the most advantageous market.

Fair value is measured using the assumptions that market participants would use when pricing the asset or liability, assuming they act in their economic best interest. For non-financial assets, the fair value measurement is based on its highest and best use. Valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, are used, maximising the use of relevant observable inputs and minimising the use of unobservable inputs.

Comparative Figures

Where required by Accounting Standards, comparative figures have been adjusted to conform with changes in presentation for the current financial year

Economic Dependence

Council on the Ageing Queensland is dependent on the Department of Communities Child Safety & Disability Services and the Department of Social Services for the majority of its revenue used to operate the business. At the date of this report, the Board of Directors has no reason to believe the Departments will not continue to support Council on the Ageing Queensland.

Goods and Services Tax ('GST') and other similar taxes

Revenues, expenses and assets are recognised net of the amount of associated GST, unless the GST incurred is not recoverable from the tax authority. In this case it is recognised as part of the cost of the acquisition of the asset or as part of the expense.

Receivables and payables are stated inclusive of the amount of GST receivable or payable. The net amount of GST recoverable from, or payable to, the tax authority is included in other receivables or other payables in the statement of financial position.

Cash flows are presented on a gross basis. The GST components of cash flows arising from investing or financing activities which are recoverable from, or payable to the tax authority, are presented as operating cash flows.

Note 1. Significant accounting policies (continued)

Financial Instruments

Initial Recognition and Measurement

Financial assets and financial liabilities are recognised when the company becomes a party to the contractual provisions to the instrument. For financial assets, this is equivalent to the date that the company commits itself to either purchase or sell the asset (i.e. trade date accounting is adopted).

Financial instruments are initially measured at fair value plus transaction costs except where the instrument is classified 'at fair value through surplus or deficit' in which case transaction costs are expensed to surplus or deficit immediately.

Classification and subsequent measurement

Financial instruments are subsequently measured at either fair value, amortised cost using the effective interest rate method or cost. *Fair value* represents the amount for which an asset could be exchanged or a liability settled, between knowledgeable, willing parties. Where available, quoted prices in an active market are used to determine fair value.

Amortised cost is the amount at which the financial asset or financial liability is measured at initial recognition less principal repayments and any reduction for impairment, and adjusted for any cumulative amortisation of the difference between that initial amount and the maturity amount calculated using the *effective interest method*.

(iv) *Financial assets at fair value through surplus or deficit*

Financial assets are classified at 'fair value through surplus or deficit' when they are held for trading for the purpose of short-term profit taking, where they are derivatives not held for hedging purposes, or when they are designated as such to avoid an accounting mismatch or to enable performance evaluation where a group of financial assets is managed by key management personnel on a fair value basis in accordance with a documented risk management or investment strategy. Such assets are subsequently measured at fair value with changes in fair value (i.e. gains or losses) being recognised in surplus or deficit

(ii) *Loans and receivables*

Loans and receivables are non-derivative financial assets with fixed or determinable payments that are not quoted in an active market and are subsequently measured at amortised cost.

(iii) *Held-to-maturity investments*

Held-to-maturity investments are non-derivative financial assets that have fixed maturities and fixed or determinable payments, and it is the company's intention to hold these investments to maturity. They are subsequently measured at amortised cost using the effective interest rate method.

(iv) *Financial liabilities*

Non-derivative financial liabilities (excluding financial guarantees) are subsequently measured at amortised cost.

Note 1. Significant accounting policies (continued)

Impairment

At the end of each reporting period, the company assesses whether there is objective evidence that a financial instrument has been impaired. In the case of available-for-sale financial instruments, a prolonged decline in the value of the instrument is considered to determine whether an impairment has arisen. Impairment deficits are recognised in surplus or deficit. Also, any cumulative decline in fair value previously recognised in other comprehensive income is reclassified to surplus or deficit at this point.

Derecognition

Financial assets are derecognised where the contractual right to receipt of cash flows expires or the asset is transferred to another party, whereby the entity no longer has any significant continuing involvement in the risks and benefits associated with the asset. Financial liabilities are derecognised where the related obligations are either discharged, cancelled or expire. The difference between the carrying value of the financial liability extinguished or transferred to another party and the fair value of consideration paid, including the transfer of non-cash assets or liabilities assumed, is recognised in surplus or deficit.

No impairment has been recognised in respect of the company's financial instruments.

Fair Value of Assets and Liabilities

The company measures some of its assets and liabilities at fair value on either a recurring or non-recurring basis, depending on the requirements of the applicable Accounting Standard.

"Fair value" is the price the company would receive to sell an asset or would have to pay to transfer a liability in an orderly (i.e. unforced) transaction between independent, knowledgeable and willing market participants at the measurement date.

For non-financial assets, the fair value measurement also takes into account a market participant's ability to use the asset in its highest and best use or to sell it to another market participant that would use the asset in its highest and best use.

The fair value of liabilities and the entity's own equity instruments (if any) may be valued, where there is no observable market price in relation to the transfer of such financial instrument, by reference to observable market information where such instruments are held as assets. Where this information is not available, other valuation techniques are adopted and where significant, are detailed in the respective note to the financial statements.

Note 2. Critical accounting judgements, estimates and assumptions

The preparation of the financial statements requires management to make judgements, estimates and assumptions that affect the reported amounts in the financial statements. Management continually evaluates its judgements and estimates in relation to assets, liabilities, contingent liabilities, revenue and expenses. Management bases its judgements, estimates and assumptions on historical experience and on other various factors, including expectations of future events, management believes to be reasonable under the circumstances. The resulting accounting judgements and estimates will seldom equal the related actual results. The judgements, estimates and assumptions that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities (refer to the respective notes) within the next financial year are discussed below.

Key Judgements

Estimation of useful lives of assets

The company determines the estimated useful lives and related depreciation and amortisation charges for its property, plant and equipment. The useful lives could change significantly as a result of technical innovations or some other event. The depreciation and amortisation charge will increase where the useful lives are less than previously estimated lives, or technically obsolete or non-strategic assets that have been abandoned or sold will be written off or written down.

Note 2. Critical accounting judgements, estimates and assumptions (continued)

Key Estimates

Employee benefits provision

As discussed in Note 1, the liability for employee benefits expected to be settled more than 12 months from the reporting date are recognised and measured at the present value of the estimated future cash flows to be made in respect of all employees at the reporting date. In determining the present value of the liability, estimates of attrition rates and pay increases through promotion and inflation have been taken into account.

Note 3. Revenue

	2018	2017
	\$	\$
<i>Other revenue</i>		
Members Subscriptions	6,337	7,176
Insurance Commissions	55,736	60,439

NON- CURRENT		
Other long term benefits	<u>9,538</u>	<u>7,861</u>

Provision for Employee Benefits

Provision for employee benefits represents amounts accrued for annual leave and long service leave.

The current portion for this provision includes the total amount accrued for annual leave entitlements and the amounts accrued for long service leave entitlements that have vested due to employees having completed the required period of service. Based on past experience, the company does not expect the full amount of annual leave or long service leave balances classified as current liabilities to be settled within the next 12 months. However, these amounts must be classified as current liabilities since the company does not have an unconditional right to defer the settlement of these amounts in the event employees wish to use their leave entitlement.

The non-current portion for this provision includes amounts accrued for long service leave entitlements that have not yet vested in relation to those employees who have not yet completed the required period of service.

Note 12. Current liabilities – other

	2018	2017
	\$	\$
Income received in advance	148,184	144,566

- borrowings	13	400,000	400,000
		<u>437,617</u>	<u>437,362</u>

Note 20. Related party transactions

Key management personnel

Disclosures relating to key management personnel are set out in Note 15.

Transactions with related parties

There were no transactions with related parties during the current and previous financial year other than insurance commissions, sundry consulting fees and the IMS distribution as disclosed in Note 3.

Receivable from and payable to related parties

There were no trade receivables from or trade payables to related parties at the current reporting date. Trade Receivables disclosed at Note 7 (2017: \$2,074)

Loans to/from related parties

There were no loans to or from related parties at the current and previous reporting date other than a loan receivable from IMS as disclosed in Note 7.

Note 21. Events after the reporting period

No matter or circumstance has arisen since 30 June 2018 that has significantly affected, or may significantly affect the company's operations, the results of those operations, or the company's state of affairs in future financial years.

Note 22: Members Guarantee

The Company is incorporated under the Corporations Act 2001 and is a Company limited by guarantee. It is now governed by the ACNC Act 2012. In the event of the company being wound up, ordinary members are required to contribute a maximum of \$10 each. Honorary members are not required to contribute. The total amount that members of the company are liable to contribute if the company is wound up is \$6,240, based on 624 current ordinary members.

Note 23: Company Details

The registered office of the company is:
Council on the Ageing
Level 1, 25 Mary Street
BRISBANE, QLD 4000

Council on the Ageing Queensland
Responsible persons' declaration
30 June 2018

The responsible persons' declare that in the responsible persons' opinion:

- there are reasonable grounds to believe that the registered entity will be able to pay all of its debts as and when they become due and payable.
- the financial statements and notes satisfy the requirements of the *Australian Charities and Not-for-profits Commission Act 2012*.

Signed in accordance with subsection 60.15(2) of the *Australian Charities and Not-for-profit Commission Regulation 2013*.

Independent Auditor's Report

Opinion

We have audited the accompanying financial report, being a general purpose financial report of Council on the Ageing Queensland, which comprises the statement of financial position as at 30 June 2018, the statement of surplus or deficit and other comprehensive income, statement of changes in equity and statement of cash flows for the year then ended, notes comprising a summary of significant accounting policies and other explanatory information, and the Responsible persons declaration.

In our opinion the financial report of Council on the Ageing Queensland is in accordance with the *Australian Charities and Not-for-profits Commission Act 2012*, including:

- giving a true and fair view of the company's financial position as at 30 June 2018 and of its performance for the year ended on that date; and
- complying with Australian Accounting Standards – Reduced Disclosure Requirements and Division 60 of the *Australian Charities and Not-for-profits Commission Regulation 2013*. (including the Australian Accounting Interpretations).

Basis for Opinion

We conducted our audit in accordance with Australian Auditing Standards. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Report section of our report. We are independent of the Company in accordance with the auditor independence requirements of the *Australian Charities and Not-for-profits Commission Act 2012* and the ethical requirements of the Accounting Professional and Ethical Standards Board's APES 110 Code of Ethics for Professional Accountants (the Code) that are relevant to our audit of the financial report in Australia. We have also fulfilled our other ethical responsibilities in accordance with the Code.

We confirm that the independence declaration required by the *Australian Charities and Not-for-profits Commission Act 2012*, which has been given to the directors of the Company, would be in the same terms if given to the directors as at the time of this auditor's report.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Directors' Responsibility for the Financial Report

The directors of the Company are responsible for the preparation of the financial report that gives a true and fair view and have determined that the basis of preparation described in Note 1 to the financial report is appropriate to meet the requirements of the *Australian Charities and Not-for-profits Commission Act 2012* and the *Australian Charities and Not-for-profits Commission Regulation 2013* and is appropriate to meet the needs of the members. The directors' responsibility also includes such internal control as the directors determine is necessary to enable the preparation of a financial report that gives a true and fair view and is free from material misstatement, whether due to fraud or error.

Council on the Ageing Queensland

Independent auditor's review report to the members of Council on the Ageing Queensland

In preparing the financial report, the directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters relating to going concern and using the going concern basis of accounting unless the directors either intend to liquidate the Company or to cease operations, or have no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Company's financial reporting process.

Auditor's Responsibility for the Audit of the Financial Report

Our objectives are to obtain reasonable assurance about whether the financial report as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with the Australian Auditing Standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of this financial report.

As part of an audit in accordance with Australian Auditing Standards, we exercise professional judgement and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial report, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial report or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.
